

Spring 2026 – BSN-Dual Degree Nursing virtual drop-ins

All times below are in mountain time. Please note that these will be the only time frames when I will be on that specific Zoom link for student drop-ins. If you have more in depth questions, please schedule a longer virtual or in person appointment via StudentHub. There have been some scheduling issues with StudentHub, if you'd like help scheduling with me, please call our shared advisement phone line 505-272-4223. Be sure to have your UNM ID #. Our advisement office is typically open 8 am - 5 pm.

For virtual drop-ins, please note that student wait times may vary because they are 1st come, 1st serve. These are not scheduled appointments. It's not uncommon for there to be a little bit of a wait time depending on the number of students who join for that virtual drop-in session. Students may end up in the waiting room for a little while.

These drop-ins are for shorter, quick questions or time sensitive things like: UNM registration errors for summer or fall semester, advisor signature on funding forms, advisement or UNM hold question, partner school registration clarifications, missing gen ed or UNM residency hours clarifications, not receiving netID or salud emails, new student orientation or transfer student orientation general questions, or not sure who to contact for a UNM question. Please keep in mind this isn't an all-inclusive list, but a handful of things that I've met with students about during shorter drop-in meetings.

Details about UNM registration dates and logistics can be found here: <https://registrar.unm.edu/Registration/index.html>
